Hexagon Oil or Candle Lantern

DCO-0086-BG

Antique Brass << DISCONTINUED

DCO-0086-CX

Black

8 1/8" Tall

Uses Lamp Oil

or Tealight Candles

These dual purpose lanterns
are packaged with a refillable
oil fount & burner and a
tealight candle holder.

Cook dinner for one anytime, anywhere.
Similar to the Dietz #30, but remove the top,
add the special grill and use the aluminum bowl or
12 oz cup to heat water, soup or a small meal.
Great for patio cooking, camping or emergencies,
Anchor to the ground with the snap-on bottom bracket
and holding pegs so lantern / stove won't tip over.

Dietz Globes

Features of the Original Lanterns

1. Economically burner design to achieve "Fan" shape burning. No inefficient "Fish Tail" shape burning.
2. No leakage around fount at anytime.
3. Hardened glass globe for longer lasting use.
4. Safety cut - off; flame will extinguish after 10 seconds of lantern is overturned.

Identify your Dietz lanterns by our special laser label and unchained filler cap.
