Indoor gaslights for use with propane gas. The number one choice when electric utility service is unavailable or unreliable.

* Brightness comparable to 70 watt bulb
* 2,000 BTU / Hour

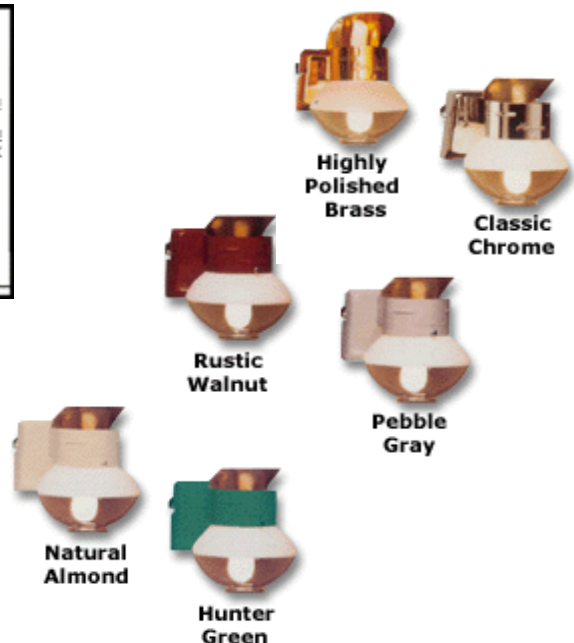

Series 9 Indoor Gaslights For Homes, Cottages And Cabins.

Pre-Formed mantle installs quickly and easily.

Series 9T Indoor Gaslights For Campers And RV's.

The motion resistant, tie-on mantle is ideal for mobile applications; offering greater breakage resistance on the road.
