NEW

TS3700T Trigger Start Propane Torch

- Use at any angle with improved, pressure-regulated swirl flame
- Quickly ignite or extinguish with the push of a button
- Trigger start ignition
- Adjust the flame with single turn of the control knob
- Plastic body with full-hand grip is comfortable and provides control as you work
- Wider, brass-tipped burn tube keeps the flame at a safe distance without sacrificing control

TS4000T Trigger Start Propane Torch

- Trigger start ignition
- Regulated for cold weather performance
- Swirl flame tip
- Rugged cast aluminum body
- Ideal for soldering and brazing projects

TS8000T Trigger Start Propane Torch

- Trigger start ignition
- Adjustable flame control
- Regulated for cold weather performance
- Swirl flame tip
- Rugged cast aluminum body
- Ideal for soldering and brazing projects
